

The Wings staff has put together a program for young men (ages 14-20) that highlights missionary aviation.

Flight Camp is informative, educational, motivating, professional, fun, inspirational, and challenging.

The purpose of Flight Camp is to introduce young men to aviation skills that God can use in their lives as they serve Him.

Please pray for the staff and campers during this important week.

For more information and registration, please visit our website or contact:

Camp Director Samuel Coman

WINGS FLIGHT CAMP

**JULY 26
to
AUGUST 1
2026**

a ministry of

**Wyldeewood
Baptist Church**

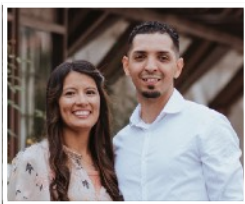

Inspiration

Missions:

→ Keynote speaker

Challenging preaching that will motivate you to serve God with all your heart

Evangelist Luis Montalvo
2025 Speaker

→ Missionary guest speakers

Testimonies from missionaries who have either used or benefited from missionary aviation

→ Missions classes

Practical lessons of preparation for serving the Lord, including the use of missionary aviation

Possible Field Trips:

→ Bearing Precious Seed

Scripture printing ministry of WBC
BearingPreciousSeed.com

→ Basler Turbo Conversions

Home of the BT-76 (*Referb'd DC-3s*)
BaslerTurbo.com

→ Sonex Aircraft

Local kit plane designer
SonexAircraft.com

→ EAA Museum

Over 200 historical aircraft
EAA.org

Instruction

Flight Instruction:

→ Cessna 172, a popular training aircraft

→ 2 hours of logged flight instruction from a Certified Flight Instructor (CFI) with student logbook provided

→ 2 hours of observation from the back seat while another camper receives instruction

→ Missionary CFIs with years of flight training and ministry experience

→ Introductory ground school session

→ Training conducted at Oshkosh Wittman Regional Airport (KOSH) and neighboring airports within 40nm

Aircraft Maintenance:

→ Classroom instruction including a brief overview of aerodynamics, aircraft systems, and aviation electronics (avionics)

→ Interaction with system mock ups, hands-on projects, and state of the art computerized flight simulators

Camp Information

Cost:

→ \$650 for all camp-related costs, including food, lodging, aircraft rental, and field trips

→ **\$50 discount for campers registered by June 1, 2026**

→ Transportation to and from area airports (Appleton & Milwaukee) provided as available for an additional fee

Registration:

→ Ways to register:

- 1) Click the direct link on our website
- 2) Download the form to print and mail
- 3) Scan the QR code on the back of this brochure to link directly to the registration form

→ Submit the application along with:

- 1) \$50 deposit & passport-type photo
- 2) Salvation testimony
- 3) Pastor's recommendation

Facilities:

→ Wyldewood Baptist Church

The campers will eat, sleep, and participate in classes at the church.

→ Wings As Eagles Hangar

The hangar gives the campers opportunities for hands-on maintenance tasks and further exposure to the ministry of Wings As Eagles.

→ Fox Valley Technical College

FVTC graciously allows our Flight Camp to use their well equipped maintenance training school facilities.
